Codechef Practice 10 and Assignment 9

Username : tulsi_999

➤ Practice 10

The screenshot shows the CodeChef website interface. At the top, there's a navigation bar with the CodeChef logo, user profile 'Hello 2+ tulsi_999', and a 'Logout' button. Below the navigation bar, there's a green banner with the text 'Solve & Learn with Mentors', 'Rate up on CodeChef', and 'Check our upcoming Learning Camps'. The main content area is titled 'Practice Problems' and is part of a 'Dharmsinh Desai University - Week 10 Practice' session. It features a table of practice problems with columns for Name, Code, Successful Submissions, and Accuracy. The table lists five problems: 'Easy Tiling', 'Subset Sum Validation', 'Palindromic Subsequence', 'Chef and BST', and 'Chef Collects Diamonds'. To the right of the table, there's a 'Contest Ends In' section showing a countdown of 2 hours, 48 minutes, and 25 seconds. Below that is a 'Be CodeChef Certified!' banner. Further down is a 'Contest Ranks' section showing 'Your Rank: 1' and 'Score: 500'. At the bottom, there's a 'Recent Activity' section with a plus icon.
